## TRANSPORT ARRANGEMENTS TO ROWING EVENTS

Transport to and from the various Regattas or Heads of the River which our Club members will attend over the course of the season will generally be arranged by the Club. A bus with an appropriate seat capacity is hired, and rowers are asked to pay a bus fare to contribute towards the cost.

However, when we only enter a limited number, or if the event is reasonably close to home, we ask that rowers make their own transport arrangements with their parents/guardians.

In this circumstance, Clonmel Rowing Club is not responsible for arranging lifts for competitors. The Club can advise parents which rowers are attending the event and at what time they will be racing, to make co-ordination easier; however, any lift sharing between parents is at their own discretion.

Parents are asked to acknowledge and return this notice as soon as possible.
